

## iScore Credit Report Service

### What is a Credit Report?

A credit report is a comprehensive file containing all your financial and credit information, including loans, credit cards, banking facilities, and payment history. It helps you understand your complete credit standing.

### Why Do You Need a Credit Report?

- Know your complete credit status
- Improve your chances of getting financing
- Avoid banking surprises
- Make smart financial decisions
- Identify and fix errors in your credit history

### How It Works

1. Fill in your personal information
2. Upload a photo of your ID card
3. Choose your preferred payment method
4. Submit payment proof
5. Receive your report within 24-48 hours via email

### Pricing

**180 EGP (60% discount)**

Regular price: 450 EGP

### Payment Methods

- Vodafone Cash
- Credit/Debit Cards (Visa, Mastercard)
- Direct Bank Transfer
- Meeza Cards

### Data Security & Privacy
